

Municipal Elections 2022—Wellesley Township

1. Cities/urban centres are responsible for 80% of our greenhouse gas emissions. What is in your plans to reduce that?
2. What are your plans to support a 15-Minute City where everything we need can be accessed by foot or bike in that time and reduce vehicle use?
3. The [Doughnut Economy](#) is a working model that addresses both social and environmental issues to create a livable future for everyone without exceeding Earth's ability to provide. What are your priorities to meet these challenges?
4. Optional question: Do you have campaign donations from speculators/developers and, if so, what percentage of your funding?
